

## PANORAMA™ FRENCH DOOR

Stainless Steel

### LG Kitchen Series LFX25980ST

24.7 Cu.Ft. Total Capacity

#### Auto Close Door

A hydraulic hinge system that automatically closes the refrigerator doors once they reach a 40 degree angle. This great feature provides you with peace-of-mind knowing that the doors will always close and your food will not spoil.

#### Tallest Dispenser

LG has the TALLEST water dispenser. With an 11.8" clearance for water and 7.7" for dispensing ice, you can fill anything – water glass, pint or pitcher.

#### Intelligent Control Center

The white LCD screen displays temperature settings and status of the freezer and fresh food section as well as a filter change indicator. Additionally, this display has stainless steel control pads with perimeter illumination.

#### SpacePlus™ Ice System

Provides more usable space in the fresh food compartment so you can fit more items.

#### Interior Styling

Our NuView™ power LED lighting gracefully illuminates the inside of the refrigerator while highlighting the premium stainless steel trim shelves.

#### Tilt-A-Drawer™ Freezer

The freezer drawer tilts out giving you easy access to the premium pull out freezer drawer, making access easier than ever before.

ENERGYSTAR® qualified models use at least 15% less energy than required by current federal standards. LG's Energy Star refrigerators allow consumers to save money, energy and protect the environment.

# PANORAMA™ FRENCH DOOR

## Two Models Available

- LFX21980 – 20.5 cubic feet (counter depth)
