Panel Information

Integrated Laundry T1339C Decor Unit

These units come equipped with a full size white front panel. These units are also designed to either accept a thin insert or a custom front panel supplied by the custom cabinet maker.

Sizes are as follows:

Version 1 - Thin insert

Width: 23 1/4" for all machines
Thickness: up to 1/8"
Height: 25" in all cases

With this version, a thin white frame will be exposed after installation

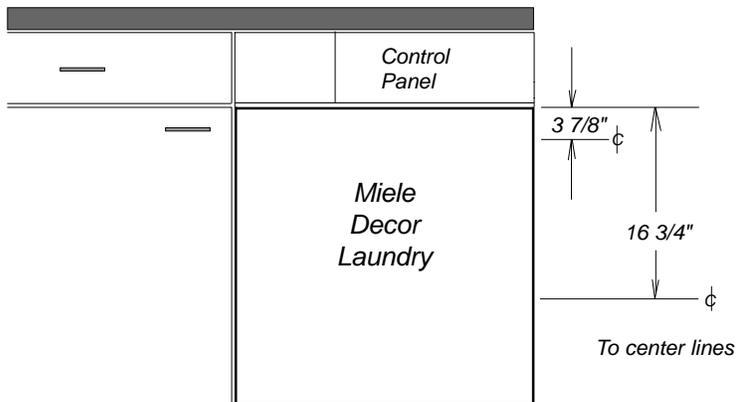

Version 2 - Custom Front Panel

Width: 23 3/8" for all machines
Thickness: up to 3/4"
Height: Up to 25"

With this version, the existing front panel is removed and replaced by the new custom panel

Hinge Notches

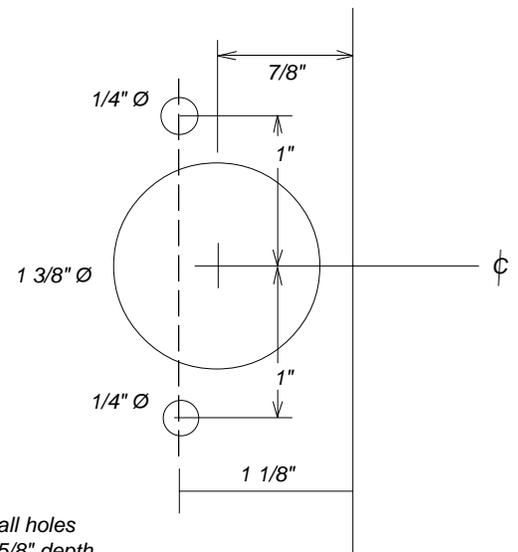

In certain installations, notches will be required to accommodate the hinges in the front panel.

Note: To insure access to customer servicable features, a minimum 4" toe kick above finished floor (AFF) is required.

Notch Pattern

For this installation, drill the following pattern in the appropriate locations.

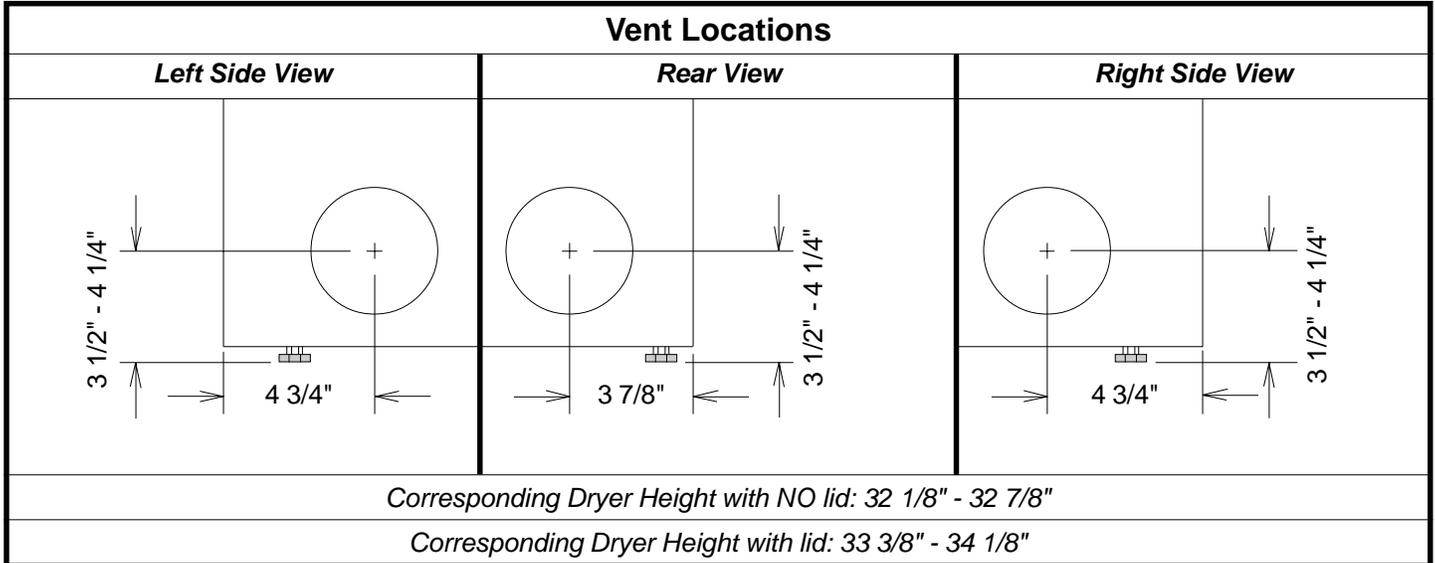

NOTE: Drawing is not to scale.
