ENERGY EFFICIENCY*

• Exceeds EnergyStar® requirements by 138%
• Energuide rating of 171 kWh/yr
• Low water usage per cycle: 12.0gal
• Low annual water usage: 4690 gal/yr
  * (All Energy Efficiency data obtained from www.energystar.gov)

LG
Life's Good

Steam*Washer*

Steam Washing

Selecting the steam option with wash cycles helps to keep colours vibrant, and with the sanitary cycle, the machine can sanitize your laundry and drum. Steam wash cylces also help to save energy and water usage.

SteamFresh™

LG's innovative SteamFresh ™ cycle makes it possible for you to refresh wrinkles in up to 5 garments at one time. Running late for work with no time to iron? Load a cotton shirt into your LG Steam Washer and select the SteamFresh™ cycle, and you'll be ready to go in just 20 minutes!

4.0 cu.ft. Ultra Capacity

The industries largest capacity accommodates ultra large loads and even fits king sized bedding into a single load.

Wide View Trilingual LCD Display

Sporting a menu-driven control panel with an attractive, blue LCD screen, the SteamWasher offers a multi-lingual option - English, French and Spanish - eliminating potential language barriers.

Tilted Drum and Extra Large Door Opening

The tilted drum and exra large door opening make it possible to load and unload clothes more easily.

Remote Monitor Ready - Remote Laundry Monitor System

The optional Remote Laundry Monitor provides the status of your laundry from anywhere in your house.
