Bailey Media Console

Also available in glass:
GDS25G-1242E

The Bailey's traditional styling creates a perfect backdrop for today's high tech entertainment equipment. Wire passageways allow for interconnection of components with the added benefit of providing ample storage behind the firebox for excess wire and power bar concealment. The rich espresso finish complements the fluted pilasters as they are set back from the face to provide character while drawing your attention into the Dimplex patented flame effect.

Choose between the elegant tumbled glass ember bed or traditional patented LED inner glow log set (as shown).

Portobello Media Console

Also available in glass:
GDS25G-1245P

Also available in walnut finish:
GDS25-1245WAL (logs)
GDSG25-1245WAL (glass)

Elegant in its form, the Portobello delivers on looks as well as function. The traditional style is captured by the sophisticated parchment finish, fluted pilasters and serpentine mouldings. The open storage creates extra room for electronic components. The Dimplex patented life-like flame has a forward offset within the cabinet to accentuate its presence within the room.

Choose between the elegant tumbled glass ember bed or traditional patented LED inner glow log set (as shown).

Brookings Media Console

Also available in glass:
GDS25-E1055G

Also available in Dark Oak:
GDS25G-1055DO (glass)
GDS25-1055DO (logs)

This transitional style media console features interchangeable door panels that allow a range of looks and function. Glass and wood inserts provide a choice of style while the fabric insert allows the option of hiding speakers inside the unit for a clean aesthetic. Finishing touches include the raised base and leg detail and cord management system.
