ZET1SL

GE Monogram® 30" Built-In Single Oven

Features and Benefits

- Electronic Dial Controls - As elegant as they are ergonomic
- Halogen Lights - On both sides of the oven provide brilliant, evenly distributed illumination for easy viewing of food as it cooks
- Exclusive Self-Cleaning, Full-Extension Oven Racks - Glide in and out smoothly on stainless steel ball bearings, and are designed to be left in the oven during the self-clean cycle for added convenience after meal preparation
- 4.4 Cu. Ft. Total Capacity - Provides an expanded cooking area to easily accommodate even the largest meals
- True Hidden Bake Element - Concealed beneath the oven floor, allows quick and easy ash removal after the self-clean cycle
- Reverse-Air Convection System - Uses a dedicated third heating element and a bidirectional fan to provide a consistent temperature throughout the oven
- Six-Element Design - Two bake, two broil and two convection elements provide precise cooking control, with fast preheating
- Performance Compensation - For 208V installation boost power as needed in multifamily dwellings
- Sleek Tubular Handles - Smooth, rugged and easy to grasp
- Hand-Finished Edges - Reflect the meticulous quality and craftsmanship for which Monogram products are renowned
- Broil Element with Reflector Shield - Provides complete and even cooking coverage
- Large Viewing Window - Allows you to view your culinary work in progress
- Standard GE® Dimensions - Match the industry's preferred cutout sizes for remarkably simple installation
- Model ZET1SLSS – Stainless steel
