The originator of professional performance for your home introduces Viking Virtuoso—transitionally designed appliances that deliver professional results at home while providing versatility and modern style to any kitchen.

MADE IN GREENWOOD, MISSISSIPPI USA

The finest kitchen in the world doesn't amount to much unless it's filled with your family and friends. Viking Range, LLC applies this same philosophy to our offices and factory floors. Even though our products ship around the world, the company has always stayed true to its roots in Greenwood, Mississippi. The Viking range was born here, and our decision to set up shop—and keep shop—in our hometown is a testament to our commitment to building Viking products in the USA. At Viking, people are our greatest asset. We are very proud of our employees and the products they build here in the heart of the Mississippi Delta.
