

TDS1-20

## Tower Drawer Single

DCS Tower Drawers offer a robust design solution created with thoughtful convenience in mind. All your indoor kitchen ingredients, service ware, platters and tools can now be stored in your outdoor built-in kitchen. Understanding that home chefs want to design their outdoor kitchens with the same sense of style as their indoor kitchens, these tower drawers can be installed in many configurations.

Brushed Stainless Steel

### Dimensions

Depth	25"
Height	9 5/8"
Width	20 5/16"

### Features & Benefits

#### Flexible storage

DCS's soft-close drawer with full extension slide provides easy access to your condiments, smoker wood chips, serving trays or grill covers.

#### Family match

The neutral stainless steel finish, refined handle profile and consistent detailing ensure DCS built-in products install seamlessly into your countertop and cabinetry palette.

#### Premium quality design

Constructed from 304-grade stainless steel, and featuring superior weld and finish, DCS tower drawers are built to last.
