Key Features & Benefits

Smart Appliance

Care smarter with connected features that let you send cooking instructions to the oven from your smartphone, control your kitchen with voice commands using a compatible voice-enabled device* or skip preheating.

Touchscreen

Get instant access to the settings you use most with a touchscreen that learns, adapts and suggests customized presets based on your family's routines.

Voice Control with a Compatible Voice-Enabled device**

Control your kitchen no matter what you've got on your hands with simple voice commands using the Google Assistant or an Alexa-enabled device.
