New product introductions — July 2005
GE® tall tub built-in dishwashers

# GE® dishwasher quick pitch

High-performance and convenience with a fresh new style.

Stylish appearance

A full-length door, easy-to-read, angled control panel, and bright white racks with silver touchpoints create a modern look.

High-performance

New **BrilliantClean™ towerless wash system** with **CleanSensor™** directs water where it belongs—on the dishes. With BrilliantClean, nothing gets in the way of cleaning.

Peacefully quiet

**GE QuietPower™ motor** and BrilliantClean wash system work together to reduce noise.

Convenient flexibility

A **giant tub** with maximum capacity **Duron™ racks, three-digit countdown display**, and **SpeedCycle™** make this dishwasher flexible even when you can't be!

#### What's new: GE® tall tub built-in dishwashers

#### BrilliantClean™ wash system

- Sprays powerful jets of water focused directly on dishes, not on the dishwasher door or tub, so dishes get very clean, very quietly.
- Virtually eliminates time-consuming chores such as prerinsing, soaking and scrubbing.
- Reduces water, energy and sound by directing water precisely onto the dishes where it's needed.

#### Towerless wash design

- Removes obstructive wash towers from the racks for fast, simple loading.
- Allows loading of platters, pots and pans in both the top and bottom racks at once.

#### Stylish appearance

- Offers the clean lines of a full-length, flat door.
- Features a redesigned, angled control panel that is easy to read and easy to use.
- A squeeze latch opens the dishwasher door with ease.
- GE badge promises consumers the quality they expect from products manufactured by GE.

#### Light-touch electronic controls

- Provide a smooth, sleek surface and require only a light touch to operate.
- A three-digit countdown display signals remaining cycle time.
- The 1–9-hour Delay Start feature makes it easy to wash dishes at any hour, taking advantage of reduced energy rates or washing the dishes even while the family is asleep.

(Available on GLD6000L series models.)

#### SpeedCycle™

• Saves time by washing and drying dishes in 45 minutes or less, about half the time of a normal cycle.

(Available on GLD6000L series models.)

#### QuietPower<sup>™</sup> sound packages

- Quieter than ever!
- Reduce noises, rather than hide them.
- Available with QuietPower 1, 2 and 3 levels of sound reduction.

#### Duron<sup>™</sup> racks

- Bright white racks hold up to heavy use, featuring a special protective coating that's extra durable.
- 5-year limited warranty (see written warranty for details) (Available on GLD6000L series models.)

#### Electronic controls

• Provide a smooth, easy-to-use, easy-to-clean surface. (Available on GLD5000L and GLD4000L series models.)

# The inside story.

BrilliantClean™ wash system. It's all about clean dishes.

What a brilliant idea - directing water onto dishes from every spray arm to get the entire load incredibly clean. This powerful wash action provides better cleaning performance, while the towerless design assures nothing gets in the way of simply spotless dishes.

6-level towerless wash system
Quietly powers dishes clean with six wash levels and three wash arms washing every dish precisely.
(GLD6000L and GLD5000L series models.)

4-level towerless wash system
Four wash levels and two wash arms direct water onto dishes for an efficient and quiet clean.
(GLD4000L series models.)

100% triple filtration Water stays clean, so justwashed dishes do, too.

Multi-wattage Calrod® heater Quickly heats water to dissolve detergent and clean dishes, then cools down to dry dishes gently.

Piranha<sup>™</sup> hard food disposer Grinds leftover food into small particles that are easily washed away.

HotStart<sup>™</sup>
Preheats water and dishes before the main wash cycle for dependable performance every time.

Improved pump
Uses only 15 gallons of
water per minute.
The result is cleaner dishes
using 30% less water.

GE QuietPower<sup>™</sup> motor Runs quietly and efficiently to keep the kitchen peaceful.

Dual pumps and motors Provide excellent wash performance by circulating water throughout the wash system and removing food soils during drain.

#### Dare to compare

#### **Appearance**

Consumers preferred GE's appearance over similarly priced Maytag and Whirlpool models\*.

- Angled control panel has been redesigned with a larger, easier-to-read display.
- Sleek lines make the vent a design element, as fashionable as it is functional.
- Individual cycle controls provide versatility and are easy to use
- Full-length flat door enhances any kitchen.
- All GLD6000L, GLD5000L and GLD4000L series models accept custom panels.
- \*Research by The Stevenson Company.

- Controls are relegated to one corner of the control panel.
- Control panel is larger and bulkier.
